

VERIZON INNOVATIVE APP CHALLENGE

REGISTRATION OPENS **08.04.14** SUBMISSION DEADLINE **11.24.14**

GATHER YOUR TEAM.
DREAM UP YOUR IDEA.
WIN \$20,000 FOR YOUR SCHOOL!

**NO DEVICES
OR CODING
EXPERIENCE
NEEDED.**

Just submit a
great idea and
you could win.

Winning teams learn
coding in-person
and online from MIT
experts to turn their
idea into a mobile app.

A great hands-on
project for Social
Studies, Science, Math,
and Language Arts.

Students in middle
school and high school
can enter.

“We all
gained so much from
this experience.
Just by completing our
submission, we all felt
like we had won.**”**

— MAGGIE BOLADO

Teacher, Resaca Middle School
Best in Nation Winners 2014

**→ PROMOTES
TEAMWORK.**

Teams of 5-7
students develop
ideas and present
their concepts.

**→ BUILDS
CHARACTER.**

Identifying a problem
they want to solve
fosters empathy
in students.

**→ TEACHES
CRITICAL THINKING.**

Inspires STEM learning
and addresses key
standards, including
Common Core.
